

METROPAWS MEMBER MANUAL | Rev. 3C | Authorization & Wellness Benefit Edition

METROPAWS MEMBER MANUAL

Rev. 3C | Authorization & Wellness Benefit Edition

Your guide to wellness benefits, Digital Pet Passport, Service Authorization, PawPoints, and community access.

For new MetroPaws Club Members | Keep this guide for quick reference.

WELCOME TO METROPAWS

Thank you for becoming part of MetroPaws Wellness Club Philippines Inc. This Member Manual was prepared to help you understand your membership, MetroPaws Wellness Benefits, Digital Pet Passport, PawPoints rewards, Service Authorization process, community access, and member responsibilities.

MetroPaws helps responsible pet owners manage their pet wellness journey through flexible wellness benefits, digital pet records, reminders, rewards, Service Authorization support, provider coordination, and community access.

Important Positioning

- MetroPaws is a pet wellness membership club and digital wellness platform.
- MetroPaws is not a veterinary clinic, pet hospital, insurance company, or HMO.
- Members may continue using the veterinarians, grooming salons, and pet care providers they already trust, subject to program terms and benefit rules.
- Benefits are subject to membership status, plan eligibility, documentation, Service Authorization, remaining benefit balance, limits, and current program rules.

Quick Start Checklist

Step	What to Do	Why It Matters
1	Activate your MetroPaws membership	Unlock your Digital Pet Passport, Wellness Benefit, PawPoints and membership benefits.
2	Register your pet profile	Create your pet wellness record and identity.
3	Review your Wellness Benefit	Know your annual benefit value, Service Authorization rules and remaining benefit balance.
4	Keep service records and supporting documents	May be needed for Service Authorization, provider verification or benefit validation.
5	Check PawPoints and updates	Earn rewards and enjoy the MetroPaws community experience.

METROPAWS WELLNESS CLUB
Better Care. Happier Pets.

SECTION

WELCOME AND GETTING STARTED

Your first steps as a MetroPaws member.

1. WHAT IS METROPAWS?

MetroPaws is a preventive pet wellness membership ecosystem created for modern Filipino pet families. It combines MetroPaws Wellness Benefits, Digital Pet Passport, PawPoints rewards, wellness reminders, Service Authorization tools, provider coordination, and community access into one member experience.

The MetroPaws Ecosystem

Pet Owner	MetroPaws Platform	Pet Care Providers
Manages pet wellness and submits Service Authorization requests.	Tracks membership, benefits, Pet Pass, authorizations, PawPoints, reminders and dashboards.	Clinics, groomers, pet stores and other providers used by members.
Keeps service records and pet records.	Reviews authorization requests and updates benefit utilization.	May be preferred providers or accredited partners in the future.

Flexible Wellness Model: Members are not required to change their trusted veterinarian or groomer. Members may use preferred providers while MetroPaws coordinates and authorizes eligible wellness services through the app or approved support process.

2. YOUR MEMBERSHIP PLANS

Plan	Annual Fee	Positioning	Best For
Standard	PHP 2,999 / year	Smart Pet Parenting Starts Here	Essential preventive care, wellness tracking and member privileges.
Deluxe	PHP 5,999 / year	Complete Preventive Care Membership	Enhanced wellness support, more flexibility, PawPoints and priority member processing.
Premium	PHP 9,999 / year	Premier Pet Parenting Membership	Highest level of wellness and emergency benefits, convenience, support and member experience.

Note: Monthly equivalents shown on the website are for communication purposes only and may be subject to payment terms, availability, activation preconditions and approved billing arrangements.

3. WHY JOIN METROPAWS?

Value Pillar	What It Means for Members
MetroPaws Wellness Benefit™	Flexible annual preventive wellness benefit for approved wellness categories where your pet needs support most.
Digital Pet Passport	Organized pet wellness records, vaccination history, reminders and pet profile information.
Wellness Reminders	Helpful alerts for vaccines, grooming, deworming, checkups and preventive care activities.
PawPoints Rewards	Earn points through membership, wellness activities, referrals, renewals and events.
Community Access	Join MetroPaws updates, events, pet wellness campaigns and responsible pet ownership activities.
Flexible Provider Use	Members can continue using preferred providers while MetroPaws grows its partner network.

Member Value Statement: MetroPaws helps responsible pet owners care for their pets through flexible wellness benefits, digital pet management tools, rewards, community engagement, and premium member experiences designed to support healthier and happier pets.

4. WELLNESS BENEFIT PLAN GUIDE

The MetroPaws Wellness Benefit is the annual preventive-care value assigned to your plan. It is not a cash deposit or prepaid wallet. MetroPaws tracks authorized benefit utilization by amount and remaining benefit balance, subject to plan eligibility and Service Authorization.

Standard PHP 2,300 Total published benefit Wellness Benefit: PHP 2,000 Emergency Benefit: PHP 300	Deluxe PHP 4,900 Total published benefit Wellness Benefit: PHP 4,000 Emergency Benefit: PHP 900	Premium PHP 8,500 Total published benefit Wellness Benefit: PHP 7,000 Emergency Benefit: PHP 1,500
---	---	--

Sample Benefit Utilization

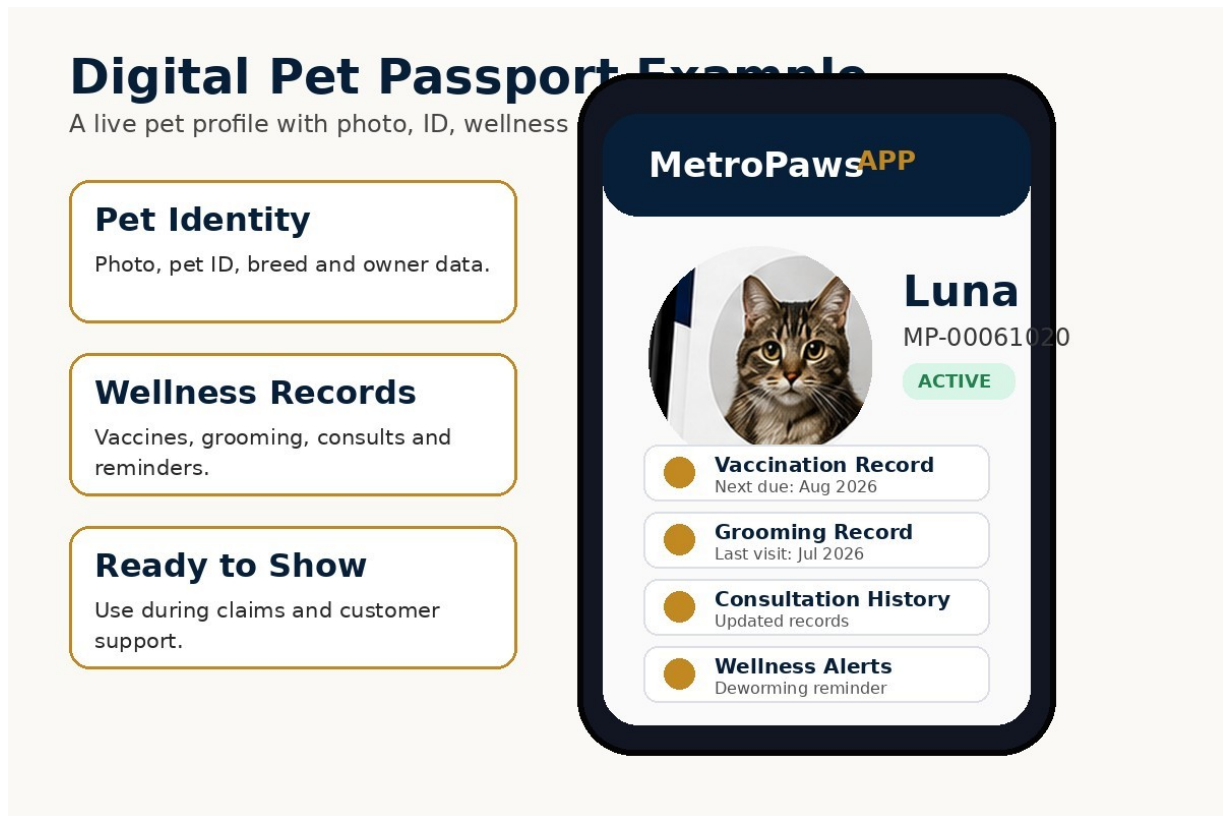

Service / Transaction	Amount	Status
Opening Wellness Benefit	PHP 4,000	Available Wellness Benefit
Vaccination authorization	- PHP 600	PHP 3,400 remaining
Grooming authorization	- PHP 450	PHP 2,950 remaining
Consultation authorization	- PHP 300	PHP 2,650 remaining

Approved Benefit Structure

Plan	Wellness Benefit	Emergency Benefit	Total Published Benefit
Standard	PHP 2,000	PHP 300	Up to PHP 2,300
Deluxe	PHP 4,000	PHP 900	Up to PHP 4,900
Premium	PHP 7,000	PHP 1,500	Up to PHP 8,500

5. DIGITAL PET PASSPORT

Your Digital Pet Passport is your pet wellness record inside the MetroPaws platform. It helps you keep important pet information organized and ready when needed. It includes your pet identity, records, reminders and benefit history in one secure digital experience.

Pet Passport Feature	Purpose
Pet Profile	Stores pet name, species, breed, sex, birthdate or estimated age and other profile details.
Vaccination Record	Tracks vaccination history and upcoming due dates.
Grooming Record	Tracks grooming visits and approved Wellness Benefit utilization.
Consultation Record	Helps organize wellness and vet visit history.
Reminder Support	Supports alerts for vaccinations, deworming, grooming and checkups.
Important Note: The Digital Pet Passport is a wellness management tool. It is not a substitute for official veterinary medical records or professional veterinary advice.	

SECTION

SERVICE AUTHORIZATION

Plan ahead, request authorization, and use eligible wellness benefits through a controlled provider-coordination process.

6. HOW TO USE YOUR BENEFITS

MetroPaws administers eligible planned wellness services through Service Authorization. Members provide advance notice of the intended service and provider so MetroPaws can verify the provider, confirm eligibility and available benefit balance, and authorize the service before availment. For an initially verified provider, succeeding eligible services may be processed more smoothly subject to current program rules.

How Service Authorization and Benefit Utilization Work

1	2	3	4	5
Plan Service	Request Authorization	Provider Verification	Authorization Issued	Service & Settlement
Choose the intended wellness service and preferred provider.	Submit advance notice with provider, service and schedule details.	MetroPaws verifies provider details, eligibility and benefit availability.	Approved service and benefit amount are confirmed before availment.	Receive the service; MetroPaws records utilization and settles the approved amount using the authorized method.

Authorized Benefit Amount = approved eligible service amount, limited by the member's available benefit balance and current program rules.

Service Authorization Process

Step	Member Action
1	Plan the service and select your preferred clinic, groomer or qualified provider.
2	Send advance notice to MetroPaws through the app or approved support channel, including provider, service and intended schedule.
3	MetroPaws verifies the provider, membership status, benefit category, documentation and available benefit balance. First-time providers may require additional verification.
4	MetroPaws issues the Service Authorization indicating the approved service and eligible benefit amount before availment.
5	Receive the authorized service. MetroPaws records benefit utilization and settles the approved amount with the provider or through another approved settlement method.

Once an eligible service is authorized, MetroPaws may settle the approved amount directly with the provider or use another approved settlement method communicated to the member. Provider verification is generally required on the first transaction with a provider; succeeding eligible services with the same verified provider may follow a streamlined process.

7. SERVICE AUTHORIZATION REQUIREMENTS

To avoid delays, make sure every Service Authorization request is submitted in advance and contains clear, complete and truthful information.

Requirement	Details
Active Membership	Your membership must be active and the applicable benefit must be available on the intended service date.
Registered Pet	The authorization request must be linked to the registered pet profile.
Advance Service Request	Submit the intended provider, service type and preferred date/schedule before availment.
Clear Provider Details	Provider name, location/contact details, expected service and amount should be provided where available.
Correct Benefit Category	Select the correct category such as consultation, vaccine, grooming, laboratory or emergency.
No Duplicate Authorization	The same service or transaction cannot be authorized or utilized more than once.

8. WELLNESS BENEFIT

Benefit Item	Meaning
Available Benefit	Eligible benefit amount still available for authorized use.
Pending Authorization	Service Authorization request submitted but not yet approved.
Used Benefit	Approved benefit already utilized or settled.
Remaining Benefit	Unused eligible benefit balance for the current membership period.
Utilization History	Record of authorized services, dates, categories and approved benefit utilization.

Benefit Utilization Example: If a member has PHP 1,000 in remaining Wellness Benefit and an authorized service amount of PHP 150 is utilized, the new remaining Wellness Benefit becomes PHP 850. If the authorized amount exceeds the remaining benefit balance, MetroPaws applies only up to the available eligible benefit, subject to program rules.

9. PAWPOINTS REWARDS

PawPoints are MetroPaws loyalty points designed to reward responsible pet ownership, participation, renewals, referrals and community engagement. PawPoints are not cash and may be redeemed only under approved reward rules.

Activation	Pet Profile	Authorized Services
100 / 200 / 300 pts	50 / 75 / 100 pts	20 / 30 / 40 pts
Renewal	Referral	Events
150 / 300 / 500 pts	200 / 250 / 300 pts	75 / 100 / 150 pts

Sample PawPoints Earning System

Activity	Standard	Deluxe	Premium
Membership Activation	100 pts	200 pts	300 pts
Complete Pet Profile	50 pts	75 pts	100 pts
Authorized Vet Service	20 pts	30 pts	40 pts
Authorized Grooming Service	15 pts	25 pts	35 pts
Wellness Reminder Completed	10 pts	15 pts	20 pts
Membership Renewal	150 pts	300 pts	500 pts
Successful Referral	200 pts	250 pts	300 pts
Event Attendance	75 pts	100 pts	150 pts
Pet Birthday Bonus	25 pts	50 pts	75 pts

Sample PawPoints Rewards Catalogue

Required Points	Possible Member Reward	Notes
250 pts	Digital Responsible Fur Parent Badge	Low-cost recognition reward.
500 pts	MetroPaws pet tag, sticker pack or small merchandise item	Subject to availability.
750 pts	Pet wellness checklist kit or member event priority slot	Designed to support wellness engagement.
1,000 pts	PHP 100 Wellness Credit or approved reward equivalent	Subject to reward budget and program rules.
1,500 pts	Grooming add-on, nail trim support or merchandise voucher	Partner availability may apply.
2,500 pts	Premium member gift pack or VIP event access	Ideal for Premium and loyal members.
5,000 pts	Special annual recognition reward	For top engaged members only.

PawPoints Control Principle: PawPoints are intended to increase engagement and loyalty. MetroPaws should avoid creating excessive financial liability. Rewards may be non-cash, merchandise-based, recognition-based, partner-sponsored, or wellness-credit based subject to approved limits.

10. METROPAWS COMMUNITY ACCESS

MetroPaws is not only a benefits program. It is also a pet wellness community for responsible pet owners. Community access may include educational posts, pet wellness seminars, pet events, adoption support activities, member updates and responsible pet ownership campaigns.

Wellness Updates	Member Events
Helpful reminders and pet care education.	Pet walks, wellness talks and community activities.
Responsible Ownership	Member Recognition
Campaigns for vaccination, grooming and safety.	Badges, testimonials and PawPoints features.
Partner Updates	Founding Family
Announcements from future accredited providers.	Special recognition for early MetroPaws members.

11. MEMBER RESPONSIBILITIES

- Keep your contact details and pet profile updated.
- Read and understand your membership benefits, limits and exclusions.
- Keep service records, provider documents, receipts or other supporting records when required.
- Submit truthful and complete Service Authorization information.
- Do not alter supporting documents, submit duplicate authorization requests, or misuse benefits.
- Use MetroPaws community spaces respectfully.
- Seek veterinary advice directly from licensed veterinarians for medical concerns.

12. IMPORTANT PROGRAM TERMS

This manual is a member guide and does not replace the official Membership Agreement, approved terms and conditions, published plan rules, or official MetroPaws advisories. Benefits may be subject to eligibility, Service Authorization, verification, limits, documentation, provider availability, approved settlement rules, partner participation and program updates.

- MetroPaws may update plan details, Service Authorization requirements, benefit limits, PawPoints rules and rewards catalogue based on approved management decisions.
- Benefits cannot be converted to cash unless expressly allowed under an approved program.
- False or fraudulent submissions may result in authorization denial, account suspension, forfeiture of benefits or other action permitted by program rules.
- Emergency Benefits are subject to specific definitions, limits and supporting documentation.

13. CONTACT AND SUPPORT
